

WESTERLEIGH PARISH COUNCIL

HEALTH AND SAFETY POLICY

The Council aims are to:

1.0 Routine inspections

- 1.01 Carry out as a matter of routine health and safety inspections of its playgrounds, bus shelters and any other publicly provided place of use
- 1.02 Aim to ensure that conditions for use are safe and healthy for visiting members of the public
- 1.03 Council shall ensure inspections are carried out by a suitable qualified person

2.0 What to expect

- 2.01 Inspections shall be carried out on a regular basis
- 2.02 Inspection reports shall be compiled and submitted to council immediately following the inspection
- 2.03 Council shall identify any risk in connection with the inspections carried out
- 2.04 Council shall take the necessary action to adequately control the identified risk.
