(a) Payments

The list of payments shown on version 3 of the draft budget was agreed.

(b) Income

Income items other than the exact Precept were agreed

The Draft Budget was PROPOSED as accepted by Cllr Taylor and seconded by Cllr Goddard with all in agreement.

287. Committee to discuss options and proposals for Precept request

SGC has provided a report which shows a net increase of 6.72% in the Westerleigh Council Tax base after a reduction of anticipated Council Tax benefit levels.

The Parish has the advantage of new homes offsetting increased reductions expected to be caused by the pandemic during 2020/2021.

The RFO illustrated that increasing the Precept by 6.72% to £87296 would create a deficit on the budget sheet of minus £15462 however the S137 amount is £15000 so by funding the S137 from Reserves a balanced budget would be achieved.

Cllr Taylor PROPOSED that in order to recognise the difficult year that has passed, with possibly worse financial hardship to come, that no further increase over the 6.72% (zero equivalent) be applied to the Precept request, and that the Parish Council funds the S137 from reserves.

This effectively means that Westerleigh Parish Council is not increasing individual Council Tax amounts for this Parish.
Cllr McCullough SECONDED this proposal and all Cllrs present were in favour.

Both the Budget and the Precept will go before the full Parish Council on January 11th for approval.

288. Items considered urgent or exempt by the Chairman

None

289. Dates of future Parish Council meetings/Committee meetings

Full Parish Council meetings (Zoom) January 11th 2021

The Clerk suggested that unless there are unforeseen circumstances no further F & GP meeting will be needed before March 2021.

The Clerk also suggested that an E & L Committee meeting is required in early 2021 to discuss the grant allocations and in particular the otter fencing options at Bitterwell Lake.

The meeting ended at 7.40pm
