Meeting ID: 890 4495 6711

Present: Cllr R McCullough Chair at start; Cllr J Lean Vice Chair at start; Cllr Taylor, Cllr Di-Duca, Cllr Goddard
Clerk/RFO: S Simmons

2962. Welcome & Introduction

Cllr McCullough welcomed everyone to what could be our last Zoom virtual Parish Council meeting.

2963. Apologies for absence

Cllr Clark sent his apologies as he has to attend another of the Parish Council meetings that have had to be brought forward to tonight due to the end of legislation allowing virtual meetings

2964. Election of Chair

Cllr McCullough asked if anyone would like to put themselves forward as Chair and also that he was happy to stand for re-election.
Cllr Taylor PROPOSED that Cllr McCullough be the Chair this was SECONDED by Cllr Goddard and unanimously approved.

2965. Election of Vice Chair

Cllr McCullough asked Cllr Lean if he was prepared to continue and if anyone else wished to put themselves forward as Vice-Chair. As no-one else did, Cllr McCullough PROPOSED Cllr Lean as Vice-Chair, this was SECONDED by Cllr Taylor with everyone in agreement.

2966. Signing of Acceptance of Office by Chair

Cllr McCullough has signed the Acceptance of Office document witnessed the Clerk.

2967. Declarations of Interest under the Localism Act 2011 relating to this meeting

None

2968. Reports from South Gloucestershire Councillors on matters relating to the Parish

None. Cllr Lean mentioned that due to the shorter time between meetings and the period of Purdah relating to Elections there had not been the usual flurry of information other than for the Coronavirus situation

2969. Pre-arranged items from members of Public

2969.1 The applicant of planning application P21/00365/F attended on Zoom and read a Personal Statement of Reasons. It is not published here for security & confidentiality reasons and due to the personal nature of the statement. Cllrs agreed to consider the statement (they have a copy) and then the Clerk will make any necessary planning comment on the SGC portal.

2969.2 The applicant of planning application P21/01970/F attended on Zoom and spoke under the relevant agenda item. (Minute 2973)

2970. Parish Councillor Reports – written submissions, taken as read with questions taken as necessary

None

2971. Council to Approve Minutes of Full Council meeting held on April 19th 2021

These were unanimously approved and signed by the Chair.

2972. Council to NOTE annual updated insurance Policy Schedule with Zurich

All Cllrs confirmed they had received copies of the new Insurance Policy the choice of which had been agreed at the last meeting. There were no questions arising.

2988. Council to consider process for Payments & Planning Applications once face-to-face meetings resume, and approve any changes needed to Standing Orders and Financial Regulations

Payments

The Clerk made the following suggestions:

- (a) If payments are for expenditure that is in the budget or already approved at a Parish Council or Committee meeting then payment can be made and the bank confirmation of payment be signed by two Cllrs to confirm the amount and the destination of the payment. (As has been happening for the past 14 months)

- (b) Unexpected requirements for expenditure need approval at a meeting, or by email from all Cllrs if urgent between meetings, before payment. (Unless under the Clerk limit) Two signatures still needed on bank confirmation of payment as above.

Planning Applications

After discussion around possible processes the following was agreed:

Planning Applications will be sent to all Cllrs as they are issued. ALL Cllrs will respond to the Clerk as requested (as has been happening for the last 14 months), however applications of public interest (such as the recent Scout Hut, or a larger than normal development) will be discussed in public at the next meeting (Parish Council or Committee) and if necessary the Clerk will request a deadline extension if the 21 days falls before the next meeting. **Any other application which a Cllr thinks should be discussed fully in public can be highlighted to the Clerk.**

All consultations for applications will be listed on an agenda and the Clerk will report the Council comment received above.(ie the majority view stated in planning terms for the portal) and there will be opportunity for any further discussion.

An applicant can address the Parish Council if they so wish, at a meeting, as explained on our web page, by contacting the Clerk as soon as possible after their application is issued by SGC.

The Clerk will update the Standing Orders & Finance Regulations to cover the above points as the Council resumes real-life meetings. These will be presented for approval at the next Parish Council meeting on June 14th.

2989. Items considered urgent or exempt by the Chairman
None

2990. Guidance for attendees on return to Face to Face meetings
Our first F2F meeting is the E & L Committee on 24th May, followed by the Parish Council meeting on June 14th.
The following points were agreed:
Where possible Cllrs will carry out a **home lateral flow test** in the late afternoon prior to the meeting. Anyone showing a positive result should not attend and should send an apology to the Clerk.

Members of the public attending meetings are also encouraged to use these home tests. They are available at some libraries, pharmacies, test centres and online at <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>. A box of 7 tests generally arrives within 48 hours of the request.

APPENDIX 1

Planning Applications dealt with since the last meeting

P21/02985/F | Erection of a 1.8m high boundary wall. (re-submission of P21/00612/F). | Ivory House 2 Park Lane Winterbourne BS36 1AS

Westerleigh Parish Council have no objections to this application.

P21/01970/F | Conversion and addition of mezzanine floor to existing workshop to form annexe/work space ancillary to main dwelling. | Petherton House 7 South Avenue Yate BS37 5JA

Westerleigh Parish Council have no objections to the revised plans.

It is suggested that Condition 3 of the previous planning permission on this building PT03/01535/F is restated with the wording "annex/work space" rather than "garage/workshop"

P21/02689/F Erection of single storey rear extension to form additional living accommodation, single storey front extension to form store and porch canopy, and rendering of house. 258 Badminton Road Coalpit Heath BS36 2QW

Westerleigh Parish Council do not object in principle however they would ask planners to look at the footprint, width and effect on frontage of this application.

P21/02566/F Demolition of existing residential annex, garage and storage shed and erection of 1no. dwelling with access, landscaping and associated works. 206 Henfield Road Coalpit Heath BS36 2UJ

Westerleigh Parish Council OBJECT to this application for the following reasons: The existing annexe was approved solely to provide ancillary accommodation to the main dwelling (Condition 1 of PK14/0083/F). WPC object to the plans to replace it with an independent four bedroom dwelling on a number of grounds. First and foremost it constitutes overdevelopment of the site as well as a low quality, contrived design contrary to Policy CS1 (High quality design). Furthermore, it would have an unduly harmful impact on the remaining private amenity space allocated to 206 Henfield Road. It thus may contravene Policies PSP8 (Residential Amenity), PSP38 (Development within Existing Residential Curtilages, including Extensions and New Dwellings) and PSP43 (Private Amenity Space Standards).

P21/00365/F Demolition of storage units and cowsheds. Erection of 2 no. detached dwellings with associated works. Buildings At Highcroft Ram Hill Coalpit Heath BS36 2TZ

Westerleigh Parish Council OBJECT to this application:

The site is located in the open countryside outside of the defined settlement boundary of Coalpit Heath. It also lies within the Green Belt where development is to be strictly limited according to Policy CS5 (Location of Development). These proposals do not meet any of the acceptable forms of development that are set out in Policies PSP7 (Development in the Green Belt) or PSP40 (Residential Development in the Countryside). It is thus inappropriate development that is harmful to the Green Belt and is unacceptable unless very special circumstances can be demonstrated. As the applicant does not appear to have presented an argument for very special circumstances these proposals evidently contravene CS5, PSP7 and PSP40.

14/6/21

**MINUTES OF THE ANNUAL FULL PARISH COUNCIL MEETING
For WESTERLEIGH PARISH COUNCIL 6th May 2021**

Furthermore, South Gloucestershire Council adopted, in March 2021, a Barn Conversion Design Guidance SPD. This states that "modern pre-fabricated agricultural buildings tend to be visually intrusive and detract from the wider rural landscape character due to their scale, form and materials. The justification for the resulting harm caused by these buildings would have been their functional need as part of supporting the operations of a working farm. [...] Overall, in the interests of the rural landscape, modern pre-fabricated buildings are not something that should be retained in perpetuity by any scheme of residential conversion". The extant farm buildings should be demolished if they are no longer required for their original agricultural purpose.

There does not appear to be any valid grounds for replacing these agricultural buildings with two independent dwellings.

The parish council has significant concerns about parking spaces and private amenity space. A couple of three bedroom dwellings would each require two parking spaces. None of the submitted planning documents clearly show how those four parking spaces will be laid out. PSP16 (Parking Standards) states that "An external parking space is typically a minimum of 2.4 x 4.8m in size". The width of Unit 1 and Unit 2 is shown in the Site Plan as 9.1m but the four parking spaces to the east would, at minimum, need to be a total of 9.6m wide.

It is also doubtful whether the proposed garden complies with PSP43 (Private Amenity Space Standards).

A couple of three bedroom dwellings would each require 60 square metres of private amenity space but the plans seem to show a communal garden with no independent privacy for the respective occupants of the two units.

Due to doubts about compliance with PSP16 and PSP43 these contrived plans amount to poor quality design that ultimately contravenes Policy CS1 (High Quality Design).

For all these reasons this is an OBJECTION

7th May update

The applicant addressed Westerleigh Parish Council at the meeting of 6th May 2021 and read a personal statement of reasons. It is the view of the Parish Council that the original objection submitted by Westerleigh Parish Council (4th May 2021), objecting to the development of the two new homes in the Green Belt still stands and insufficient 'very special circumstances' were illustrated.

P21/02353/F Erection of a single storey side extension to form additional living accommodation. & P21/02441/LB Internal and external alterations to include the erection of a single storey side extension and removal of internal walls. Chestnuts Mays Hill Frampton Cotterell BS36 2NS

Westerleigh Parish Council has no objections to these 2 applications

P21/00788/F Erection of 1.8 m wooden entrance gates and wall (Retrospective) Orchard House Cooks Lane Coalpit Heath BS36 2UR

No further comment

P21/02368/F Demolition of existing scout hut and erection of replacement hut (Use Class F2) as defined in the Town and Country Planning (Use Classes) Order 1987 (as amended). Mafeking Hall Ram Hill Coalpit Heath South Gloucestershire BS36 2UF

Westerleigh Parish Council FULLY SUPPORT this application

APPENDIX 2

Report on the Westerleigh Parish Council finances 2020-2021

Introduction

This report covers the financial year April 2020 - end of March 2021. This period includes the lockdown and restricted periods caused by the COVID pandemic however the Parish Council has NOT been severely impacted by this.

The Annual Accounts have been prepared by the Clerk/RFO and an independent Internal Audit carried out on April 22nd/23rd 2021.

The auditor stated that the standard of procedures within this Council are 'exceptionally high' and 'no issues of significance have been raised at this year's audit'.

Financial Performance vs Budgets

The budget for income was £136610 and actual income was £136968. This includes some slight anomalies as refunds were given for insurance, and a Homecare policy when the old Chalet was demolished and contributions for electricity from the Lake manager while in his caravan. These helped balance a shortfall caused by the closure of the Lake during April & May 2020 when the Council waived the fees due from the Fishery business, and the additional months taken to install the new home before the rental of the Chalet could begin.

There is also an additional £5000 income which represents a grant from the Angling Trust for work in the next financial year.

£41880 was also carried forward from 2019/20 from the various community benefits that the Parish Council receives.

PWLB Loan

During 2020 the Parish Council received a £75000 PWLB loan over 15 years to enable the complete replacement of the Chalet at Bitterwell Lake providing a new home for our Lake manager and his family and fenced garden and all associated groundworks. All work was completed during the financial year and was on budget. The loan repayments are wholly financed by the rental income.

Expenditure

The budget for salaries, staff costs and all Administrative elements of the Parish Council was £54862 and the actual expenditure here was only £41734. Certain elements are budgeted and carried forward – such as Election Costs where £2000 is carried forward each year until election year. Room hire budget was not needed due to the pandemic, and other costs such as mileage and training were reduced.

The budget for Environment & Leisure element expenditure was set at £124831.14 for 2020/2021. The largest expenses were £9323 for grass cutting, £5983 for bin emptying, and £4084 for maintenance and inspection of play equipment.

Expenditure was only £44987 and £79550 has been carried forward as earmarked funds for grants and community benefits, tree works, and maintenance tasks, into 2021/22. It is quite normal that projects and expenditure span more than one year but it is prudent to 'save' and plan in order to avoid 'shocks' to expenditure budget that could impact on residents through the precept.

14/6/21

**MINUTES OF THE ANNUAL FULL PARISH COUNCIL MEETING
For WESTERLEIGH PARISH COUNCIL 6th May 2021**

The finances show prudent budgeting and spending on day to day operational items

Grants

During this financial year £20,142 was issued in grants and community benefits, as shown in the accounts, and at last week's Annual Parish Meeting. That still leaves £62919 to be carried forward and several projects are already planned in for that money.

When 2021/22 grant income is added the total grant pots for 2021/22 are the biggest ever due to a large amount of the Community Infrastructure Levy from Barratts at Blackberry Park (almost £54000), our regular income of £19800 from the Says Court Solar Farm, and £15000 which the Parish Council has allocated from its own reserves for Section 137 awards.

There will be a total of £88000 grant income in 2021/22 to be added to the carried forward figure making a total of £151000. That is why we are encouraging local groups to contact us with their projects.

Precept

For 2020/21 the Parish Council voted for a 4% increase in the precept. For 2021/22 the net increase is zero as the actual increase covers the additional number of homes.

Projects for 2021/22

From the pots mentioned above plans are already underway for:

- Childrens Holiday Activity Days (Started in April)
- 3 x Parish Bus stop refurbishments (started)
- Cleaning of two War Memorials (Westerleigh & Coalpit Heath) (completed in April)
- Emergency signs & defibrillators at multiple Parish locations
- Installation of play equipment at Newman Field
- Installation of new fishing platforms at Bitterwell Lake
- Otterproof fencing at Bitterwell Lake
- Plans to tackle litter louts

Summary

The report above outlines the financial year just passed and an outline of the year to come 2021/22.

A copy of the actuals vs budgets is attached.

I therefore commend the accounts for last year to the Parish Council for approval, and as Finance Officer I am comfortable that a sound budget is in place for the coming year.

S Simmons

Parish Clerk/Responsible Financial Officer
